Department of Computer Science and Engineering
Daffodil Institute of IT(DIIT)

📝 **Course Code:**   CSE 53020

📝 **Course Title:**   Peripheral and Interfacing

📝 **Section: All**

📝 **Instructor's Information:**

- **Name: Md. Imtiaz Ahmed**
- **Designation: Lecturer, CSE**
- **Office Location: 5ʰ Floor, Lazz Pharma Building**
- **Cell phone No.: 01717430880**
- **Class Code of the Course on Google Classroom: yzvfmp2**
- **Email Address: imtiaz_nu@diit.info**
- **Google Site link: https://sites.google.com/diit.info/imtiaznu/home**

📝 **Class Lectures:**

14 Lectures in total will be provided and will be taken in the semester. Each of the lectures are sorted out below:

- Lecture 1: Introduction Peripheral
- Lecture 2: Introduction Interfacing
- Lecture 3: Short Description of Memory Types
- Lecture 4: Memory IO Interfacing
- Lecture 5: Communication Interfacing
- Lecture 6: Digital Interfacing
- Lecture 7: Scanner
- Lecture 8: Barcode Reader
- Lecture 9: Touch Screen
- Lecture 10: Printer
- Lecture 11: Monitor
- Lecture 12: Storage Devices
- Lecture 13: Data Communication and Network
- Lecture 14: Assembly code for Emulator
